PROFILE

Enthusiastic and detail-oriented Entry-Level Frontend Developer with a solid foundation in HTML, CSS, JavaScript, and modern frameworks such as React and Flutter. Passionate about building responsive, user-friendly web and mobile interfaces using clean, maintainable code. Experienced in developing personal and academic projects that reflect a strong understanding of UI/UX principles, cross-browser compatibility, and mobile-first design. Eager to contribute to a collaborative development team, learn from industry professionals, and grow within a fast-paced and dynamic tech environment.

WORK EXPERIENCE

Vibrant India Tech

FEB 2025-PRESENT

Frontend Developer Intern

- Built and maintained responsive web interfaces using HTML5, CSS3, and Bootstrap 5, ensuring cross-browser compatibility and a mobile-first design approach.
- Dynamic and interactive UI components using JavaScript and React.js, enhancing user engagement and application performance.
- Utilized GSAP (Green Sock Animation Platform) to implement smooth animations and transitions, improving user experience and visual appeal.
- Integrated backend APIs to display real-time data on the frontend, enabling dynamic and responsive content delivery.
- Adhered to best practices in code structure, version control (Git/GitHub), and performance optimization to maintain clean, scalable codebases.

PROJECTS

Travel App (Flutter Web)

- Developed a responsive travel booking web application using Flutter, featuring destination browsing and a clean, user-friendly interface.

Champion's Square (Flutter Web)

- Built a multi-featured web app with Flutter that enables users to book tickets, place product orders, and view live stock market updates — all within a single, responsive platform.

Stock Management System (.NET)

- Created a desktop-based inventory system using .NET to manage product stock, track sales and purchases, and generate real-time reports, enhancing business operations efficiency.

CERTIFICATIONS

Technical Careers Training Program - TNS

- Technical training program focusing on enhancing skills for technical careers
