LJ University | 2020 – 2023 | CGPA: 7.03

Certifications

- **Technical Careers Training Program – TNS**
- Focused on enhancing skills for technical roles

Work Experience

- **Frontend Developer Intern | Vibrant India Tech | Feb 2025 – Present**

- Built and maintained responsive web interfaces using HTML5, CSS3, and Bootstrap 5 with a mobile-first approach.
- Developed dynamic UI components in React.js and JavaScript to enhance user experience.
- Implemented smooth animations using GSAP (GreenSock) to improve engagement.
- Integrated REST APIs for real-time data display.
- Followed best practices in code structure, Git version control, and performance optimization.

Projects

- **Travel App (Flutter Web)**

- Built a responsive travel booking web application with intuitive UI, enabling users to browse destinations and book seamlessly.

- **Champion's Square (Flutter Web)**

- Developed a multifunctional web app offering ticket booking, e-commerce, and stock market updates—all integrated into a unified platform.

- **Stock Management System (.NET)**

- Created a desktop inventory tool for product tracking, sales reporting, and real-time analytics using .NET Framework.
